

X-TECH Collection

IN STOCK Series

X-Tech is our latest offering, featuring our most advanced technologies including our new Cooling gel Contoured M-Foam seat, designed to perfectly distribute pressure and keep you cool. The cooling theme is continued by focusing on Brisa and A.T.R. cooling fabrics and by making our Elemax temperature regulation accessory an option. If you work long hours and want to stay comfortable and productive this is the chair for you.

*Stone color comes with white armrests and backrest frames.
